OFFICE ACTION

Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. IN THE CLAIM: Claim 11 has been canceled due to nonelected without traverse dated 2/28/05.

Allowable Subject Matter

2. Claims 1-10 are allowed. Following is the reason for allowance:
The closest art, *Lin et al* '342 discloses sweeping (or applying pressure) the conductive paste 30 with a squeegee 40 across the wet photoresist layer 15, forcing the conductive paste 30 into openings 20, and removing the excess conductive paste 30 off photoresist mask 15. *Lin et al*, however, does not teach or suggest polishing the conductive polymer layer to remove excess conductive polymer material from a surface of the photoresist.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
